STATEMENT OF FACTS IN SUPPORT OF FILIGN ON BEHALF OF
NON-SIGNING INVENTOR (37 CFR § 1.47(e))

Commissioner for Patents
Washington, D.C. 20231

Sir:

This statement is made as to the exact facts that are relied upon to establish the diligent effort made to secure the execution of the Declaration by the non-signing inventor for the above-identified patent application.

This statement is being made by the available person having firsthand knowledge of the facts recited herein and is identified as follows:

FIST S.A., by:

PLANQUART
Name

135 bd St Michel
Street Address

75005 PARIS
Postal Code, City, Country

The name and last known address of the non-signing inventor is as follows:

Michel Puech
14 avenue de Breteuil
75007 Paris
France

DETAILS OF EFFORTS TO REACH NON-SIGNING INVENTOR

1. The Assignee of the present invention is the Centre National de la Recherche Scientifique (C.N.R.S.). The Assignee's agent for obtaining signatures on Declarations, from inventors, is France Invention Scientific Transfery (FIST). On June 21, 2000, FIST received the Declaration forms ready for signature, as prepared by Chantal Peaucelle of the Paris patent law firm of Cabinet Armengaud Aîné, 3, Avenue Bugeaud, 75116 Paris, France.

2. At the end of June, the Declaration was initially sent to inventor M. Laugier with the request that he sign the Declaration and forward it to the other co-inventors. Upon execution of the Declaration by the three signing inventors, the Declaration was sent to Mr. Puech with return receipt requested to his then known address at:

Mr. M. Puech
11 rue Berin Polréc
75001 Paris
France

This occurred on July 10, 2000, as evidenced from the return receipt request shown on the upper portion of Exhibit A.

3. On July 12, a return receipt was received by FIST indicating receipt of the Declaration by Mr. Puech. (See bottom portion of Exhibit A.)

We were then told by our patent agent Mrs PEAUCELLE, Cabinet ARMENGAUD AÎNÉ, 3 avenue Bugeaud, 75116, PARIS, that Mr PUECH did not live anymore at said address.

4. A number of inquiries and research was done in an attempt to establish the new address for Mr. Puech. A new possible address was established at:

Mr. M. Puech
14 avenue de Breteuil
75007 Paris
France

5. A second Declaration was prepared and distributed by FIST on September 27, 2000. The Declaration was signed by the three signing inventors.

6. On October 10, 2000, the Declaration form with the three signatures was sent by FIST to Mr. Puech at the second address along with a return receipt request. See the top of Exhibit B. A request for his signature accompanied the Declaration.

7. On October 24, 2000, a return receipt was received by FIST indicating receipt of the Declaration by Mr. Puech. To this day, there has been no response to the request for his signature and no return of the second Declaration.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements are made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. § 1001 and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
